

New York Downstate Association for Respiratory Therapists, Inc.

Dear Exhibitor,

On behalf of the Board of Directors of the New York Downstate Association for Respiratory Therapists Inc. (NYDART) I am pleased to announce the **50th** Annual Fall Symposium, which will be held on Friday, **October 26, 2018** at the Long Island Marriott Hotel and Conference Center which is located at 101 James Doolittle Boulevard, Uniondale NY 11553. (Next to the Nassau Coliseum)

I am certain that you will be extremely pleased with all aspects of the Long Island Marriott Hotel and Conference Center. It is an excellent venue for an educational symposium with a very spacious lecture hall and exhibition space. The hotel has a large free parking lot within close proximity to the entrance of the exhibition area. My goal is to make this symposium appealing and successful for the exhibitors and convenient and engaging for the attendees.

The first event of the day will be the opening of the exhibits starting at 7:00AM. All booths will need to be set up by 6:45am. The first lecture will begin at approximately 8:15am. There will be ample time for the attendees to visit your booths throughout the day with no restrictions. The plan also includes keeping the exhibition area open during the lunch period.

NYDART's 2017 Fall Symposium was attended by 500+ people of which 80-100 were RT department managers. We also had a very successful symposium in Brooklyn this past spring. I truly expect that this Symposium will draw a significant crowd due to the distinguished faculty of nationally known speakers.

Additionally, NYDART is applying for 8.0 CRCE (Continuing Respiratory Care Education) credits for Respiratory Therapists through the AARC.

The booth fee for this symposium has not increased from past years and remains at \$595. This fee includes a gourmet hot lunch for 2 representatives per exhibitor booth. Lunch for each additional representative is \$25.

The Exhibitors Agreement and Application (see below on pages 1-3) details all terms, conditions and exhibitor costs. Since the configuration of this year's exhibition space will limit the amount of vendors, I urge you to register as soon as possible to reserve your booth space. Visit www.nydart.org to learn about NYDART & to view pictures of past events.

Please note! NYDART has hired *SolutionsX2*, an event management service to handle the registration process.
